

Dear Year 6,

Here's that beautiful weather we wanted! Yes, I am aware I am always talking about the weather.

Home-learning:

Martha has made a salad from all the vegetables that she has grown and harvested. What an amazing achievement, I bet it tasted even better for you grew it all from seed.

Rhys has been on a picnic this week and spent lots of time outside in the glorious weather. He has also been researching butterflies.

Mason went on a mini beast hunt at the weekend and has been researching the animals he found.

School-learning:

Below is what we have covered in school this week. Both bubbles have completed the same work but at different times during the week. All of these activities, and more, can be found on the Home Learning section of the website.

	Session 1	Session 2	Session 3	Session 4
Monday	White Rose Maths lesson 1 Area and Perimeter rectangles	Talk4Writing 'Monsters' Activity 1	Goodnight Mr Tom Chapter 19 Answered Section A	Science Inheritance and Evolution Lesson 1 Inheritance
