December

11th Christmas Jumper Day

18th School Closes for Half-Term at 2.30pm

January 2021

5th School Opens for Term 3

Christmas Performance

Due to Covid-19 there will be no Christmas performance this year with the lockdowns and social distancing measures etc.. we would be unable to accommodate the performances in the usual way.

This year however, we will be engaging in Christmas zoom assemblies that parents can attend. More information to follow.

Children In Need

It's been lovely seeing everyone spotty and in their pyjamas today. We wish it could be like that everyday!! Thank you to those who have donated to this great cause.

Parking

We are grateful to those parents/carers who park sensibly and considerately however, we do still have some vehicles that park on the zig-zag lines, double yellow lines and across our neighbours drives. Please can we ensure that we are mindful of our local neighbours and our children when parking for drop-off and collection.

Christmas Cards

It's November and some of you may be thinking about buying and writing Christmas Cards. Most parents will be aware that in previous years we set up our Christmas card box in the KS2 corridor, where children can post their cards, and some helpful elves distribute them to the classes.

This year, we will be asking children to hand Christmas cards to their class teachers. The class teacher will ensure that cards are isolated for the appropriate amount of time before they are handed out to children each Friday. Cards can still be written to children in different classes than your child.

Thank you for helping us to safely keep our Christmas traditions!

Covid-19

In order for the safety of all please can we remind parents to check for Covid symptoms :-

- * High temperature (above 37.8C)
- * A new continuous cough
- * A sore throat
- * Loss of or change in normal sense of taste or smell
- * Feeling generally unwell
- * Persistent tiredness
- * Been in close contact with / living with a suspected or confirmed case of COVID-19 in the previous two weeks.

If your child has any of these symptoms please do not send them to school.

A runny nose or sneezing only are unlikely to be Covid-19
