

Dear Year 6,

Another week of lock-down has come and gone. The weather has been beautiful and makes staying at home much more bearable.

Your emails, pictures, jokes and a-z entries have made me smile and laugh all week too. I think the a-z game was a roaring success so I'm going to have a think over the weekend about what the next game could be. I'll post it in Monday's blog for you to have a go at.

I had so many a-z entries that I couldn't pick a winner. They were all so fantastic and imaginative – I had to use the internet to research some of your more obscure animals. So winning IOOHPs are:

Samaah, Millie, Costin, Rhys, Tom, Martha, Jasmine and Mason.

Thank you to Rhys, Lottie and Martha who told me a joke or two this week. 😊

I've had lots and lots of emails this week, which I am very grateful for.

Costin has been out in the sunshine riding his bike.

Rhys has been busy chalk painting, planting seeds and making a birthday card for Captain Tom Moore.

Lottie has been baking lots of treats for her family and whilst walking them off she has hit her PB and completed 28998 steps in one day!

Tom has been making the most of the good weather too, getting out in the garden as much as possible.

Martha has also been keeping active going on walks with her family and playing stick races in the brook; she has made cereal bars to keep them going on their long walks; and has planted her very own vegetable patch in the garden. Martha has even found time to do some virtual ballroom dancing lessons.

Mason has been on more bike rides with his family and has promised to make Year 6 a lemon drizzle when we return. I can't wait!

Ronnie has been getting creative with his camera taking over-head pictures and has been taking long walks as a family (even enjoying an ice-lolly on the journey).

Jack has been working really hard on his Mathematics and his reading. Well done Jack!

I have attached a few pictures that I have received this week too.

Thank you to all of Year 6 who are doing work at home, even if it isn't quite in the same way we would be working at school. Your parents are understandably very proud of your independence and motivation so thank you from me and them. Lots of you have mentioned the BBC bitesize website, so if you are looking for something a little bit different to have a go at then go visit the website.

Well done to all the Year 6 families who are doing a great job of balancing all your responsibilities in this strange time we find ourselves in.

Don't forget to send me emails and pictures on boughtonyr6@gmail.com

Miss Sadler
