

Dear Year 6,

What a strange week with some of Year 6 back in school and some of you still learning at home. I have split this week's round up into two halves so you can see what the other children in Year 6 have been up to.

Home-learning:

Martha is looking forward to her birthday next week. She has been enjoying the White Rose Maths this week and has recommended some books for me to read to my class next year.

Tom sent me his project all about New Zealand. There was lots of variety in the information he included and was very well presented.

Anna also sent me her project. Her project all about Greece was really interesting and had a personal touch.

Rhys must have got the memo because he has been doing some research on Greece too. He has also been to the Boughton Grotto, helped to decorate his room, been gardening and started his football training.

School-learning:

Below is what we have covered in school this week. Both bubbles have completed the same work but at different times during the week. All of these activities, and more, can be found on the Home Learning section of the website.

	Session 1	Session 2	Session 3	Session 4
Monday	Training Day			
Tuesday	Welcome back and the new rules		White Rose Maths lesson 1 Converting fractions to percentages	Reading
Wednesday	White Rose Maths lesson 2 Equivalent fractions, decimals and percentages	Talk4Writing 'The City of Silence' Activity 1	Goodnight Mr Tom Read chapter 15 Answered section A	Science Living Things Lesson 1 Classifying living things (added to this week's home-learning)
Thursday	White Rose Maths lesson 3 Order fractions, decimals and percentages	Talk4Writing 'The City of Silence' Activity 2	Goodnight Mr Tom Answered section B	PE – Virtual School Games activity
Friday	White Rose Maths lesson 4 Percentages of amounts	Talk4Writing 'The City of Silence' Activity 3	School closed for cleaning and teachers' PPA	

Miss Sadler
