

Dear Year 6,

I hope you have all had a good week, whether you have been in school or at home. I am looking forward to the Virtual School Games next week. If you are at home, you can take part on Thursday 9th July and submit your attempts on the Northamptonshire School Games website (check the Home Learning section for the link).

I hope you have all received your email to explain the leavers' events we will be holding this year. Don't forget to send your videos to boughtonyr6@gmail.com

Home-learning:

Rhys has created a Power Point on the mini beasts he found in his garden and the surrounding areas. He has also been busy on Mathletics, making it into the top 10 again this week. Find the top 10 on the Mathletics Blog.

Mason has been enjoying Goodnight Mr Tom, we have too in school.

School-learning:

Below is what we have covered in school this week. Both bubbles have completed the same work but at different times during the week. All of these activities, and more, can be found on the Home Learning section of the website.
