## School Meals

Please remember that you do need to book your child's meal a week in advance. At the moment there are only cold options to choose from but we are in talks to try and widen this option.

Can we also remind parents who provide a packed lunch to ensure that there are no nut products in school.

## Welcome Back!!!!

We are so happy to be back in school, it has been lovely catching up with the children and hearing about all their lockdown adventures.

A huge thank you to all of you who have coped with the various changes we have implemented to our drop off and collection arrangements. We appreciate your co-operation.

# Birthday Gifts/Sweets

Due to Covid we have had to change how we allow items to enter the building. We realise that some children still want to celebrate their birthdays with their classmates and bring in sweets etc.

In order for this to happen in a Covid friendly way we will need to adhere to the following:-

- Items need to be individually wrapped or sealed (e.g. individual cakes/cookies/bags of sweets)
- They need to be delivered to the school office and won't be distributed until 24 hours later so might not be given out on the actual birthday
- A teacher/TA will distribute rather than the children putting hands in a bag and pulling an item out

## Next Week

A reminder that children will be moving up into their new Year groups next week.
