HELP SAVE OUR PARK!

We desperately need to raise funds for the upkeep of the park and the general maintenance of the equipment and surroundings

Boughton Pocket Park is cared for by a volunteer committee of local villagers. Funds are raised throughout the year with small events and the Bonfire & Fireworks display in November.

Due to Covid-19 this year's display has had to be cancelled.

These funds are required to maintain the park and keep the equipment safe for visitors and children. The yearly costs to upkeep the Park are £6300.00!

Please help if you can and donate to;
