## Macmillan Coffee Morning

A huge thank you to all those who donated money for this worthwhile cause. Special thanks must go to Mrs Loveday and Miss Rice for their baking and organising skills.

We will update you on the grand total as soon as we can.

## Outdoor

### Footwear/Clothing

As you may be aware, we are using the field and playground for all of our breaktimes currently. This is to ensure every class can play outside and has plenty of space to play.

We are an "all weather" setting since Covid-19; outdoor play is happening, whatever the weather! This is so the children are not cooped up indoors all day. Therefore every child MUST have the following items with them, every day:

- a coat (ideally waterproof, with a hood)
- a change of footwear for outdoors; these can be wellies, old trainers or other shoes but must be an alternative to their school shoes. They *will* get muddy and wet!

It would be preferable if the outdoor shoes could stay at school all term but we understand that practicality and budgets might not allow for this. However, it is essential that there is something for the children to change into for outdoors, to save their school shoes from being ruined - and our carpets!

# School Applications

The window for Primary and Secondary School Applications for 2022 opened on 10th September 2021.

Apply online at [www.northamptonshire.gov.uk/admissions](http://www.northamptonshire.gov.uk/admissions) and follow the link.

## Siblings

If you have a younger child who is due to start school next year, could you please let Mrs Webster or Mrs Cullum in the school office know so we can update our records.

Please note that you will still need to apply online for a school place in the usual way.

## RD Out of School Care

There will not be a Holiday Child Care Club during the October holiday this year. There will be ground works in the school playground during the holiday and the children cannot be safely supervised.
