Thank you to all those parents who returned their data collection sheets last year, however there are still a number outstanding. Those that are, have been reissued this week. Please can we ask that these are completed, signed and returned as soon as possible so that we have the correct information regarding your child.

Parking/Traffic

Following numerous complaints from local residents, we are again reminding parents about parking when dropping off and picking up.

Out of courtesy and respect to our neighbours, please do not:

- Obstruct or park across driveways
- Use any driveways to pull onto
- Use any driveways to reverse your car
- Not to block the school car park entrance or use it to turn around in.
- Not to use the staff parking at the front or rear of the school.
- To not park on bends
- To refrain from parking or dropping off on Zig Zag lines or by the traffic calming measure.

Please could all our parents/carers ensure that they park safely and sensibly.

We urge any parents with concerns about parking to call 101 to report any incident directly as well as making the school aware.
