Outstanding Trip Monies

A reminder that the KS1 Wicksteed Park trip monies are due today by the end of the school day (Friday).

PGL

Our week away to Osmington Bay was brilliant! We couldn't have asked for better weather. Four days of lots of activities from raft building to giant swing. The children will have some fantastic memories of their week away. Huge thanks to Mrs Hartwell for organising and the staff team who joined the week away.

Class Photos

A reminder that the cut-off for your school photo orders is Wednesday 6th July. Class photos are available to view online.

Strictly

Well done to all those who took part in the Strictly Finals that took place last Sunday. Thank you to all the staff that were involved.

Car Idling

Please be mindful of our neighbours when waiting to collect your child at the end of the day not to sit with your car engine running. Not only is this noisy for our neighbours it is also a form of polluting the environment.

Headlice

It's that time of year when headlice are on the loose. If you discover that your child/ren have 'visitors' please treat them and also your extended family members.

Come and See My Work

An email has been sent out this week regarding seeing your child's work from the academic year. There is no need to book an appointment, just pop along Wednesday or Thursday to view at the end of the school day until 4.30pm.
